If you are missing a product variant in the table or need more product information, availability and alternatives please contact your local sales team.

# 4 TIMELINE

### Last time buy date

This date represents the last opportunity to place an order with ELATEC. All orders placed before and including the specified date will be accepted. All orders placed after this date will not be accepted, you will have to switch directly to the substitute product.

### Last time delivery date

After this date, the specified discontinued products will no longer be shipped.

### End of maintenance

Any maintenance or repair of the product no matter HW or SW will not be performed anymore after this date. Maintenance includes, but is not limited to the following operations:

- Fixing of small errors "bugs" in the SW (Non-Breaking Bugs)
- Implementation of new features and functions (mostly SW)
- Development / customization of SW and HW to maximize performance, stability and security

### End of support

At the end of support date, all support of the product is no longer available. This includes, but is not limited to, immediate support to the partner or customer for technical issues in the field. Furthermore, support including technical assistance for existing or new installations. SLAs (Service Level Agreement) contracts are of course observed by ELATEC as long as they apply and until they expire.

DESCRIPTION	DATE
LAST TIME BUY DATE	29 <sup>th</sup> of July 2022
LAST TIME DELIVERY DATE	Due to current chip allocation the last delivery date must be aligned individually
END OF MAINTENANCE	31 <sup>st</sup> of March 2023
END OF SUPPORT	31 <sup>st</sup> of December 2023
